## Care for Common Home Newsletter RNDM

The purpose of this newsletter is to provide news of RNDM involvement in actions and activities related to our ministry of Caring for Our Common Home.

### **Good news story from India South:**

Cecilia sent us this page showing what is possible in her area:

For the pupils of the school this organisation offers school stationery in exchange for waste materials. The pupils are compensated depending on the weight of the waste material they bring. Such a brilliant incentive for the pupils, especially for those who do not have the means to buy books for themselves.

## SEASON OF CREATION

**Preparing for the Season of Creation beginning on September 1, consider these ideas:**

- Organize a **Creation-themed prayer** for your community/parish/interest group. Using resources such as those on the Season Of Creation ecumenical website.
- Work with children or youth to set up an **artistic "Creation Scene"** symbolising God's creation of the world as an opportunity to teach about this important theme; consider placing them in or near the church.
