Care for Common Home Newsletter RNDM

The purpose of this newsletter is to provide news of RNDM involvement in actions and activities related to our ministry of Caring for Our Common Home.

Good news story from Vietnam:

The Earth is the common home of all humanity. From air, soil, water, living creatures, herbs,... everything we are enjoying is provided by Mother Earth. Every day, Mother Earth is struggling and gradually being destroyed by the environmental pollution we cause. Responding to the Pope's 'Laudato Si' message, the Sisters participated in collecting trash to contribute a small part to "taking care of our common home"

For pondering:

In Laudate Deum, Pope Francis asks:

In conscience, and with an eye to the children who will pay for the harm done by their actions, the question of meaning inevitably arises: "What is the meaning of my life? What is the meaning of my time on this earth? And what is the ultimate meaning of all my work and effort?" LD 33
