Care for Common Home Newsletter RNDM

The purpose of this newsletter is to provide news of RNDM involvement in actions and activities related to our ministry of Caring for Our Common Home.

Good news story from Martha in Myanmar:

In May and June, Sr Martha along with companions undertook seminars for young people in Pyay Diocese on Eco-spirituality. 180 young people came from boarding houses and the minor seminary.

Another half day seminar was given to 53 teachers, RNDM's, office employees and co-workers, all receiving the message about the importance of caring for our home, Mother Earth.

What a gift this is for the people who hear the message and then act on it!

Walking the talk as the meal is shared.

“A spirituality which **forgets** God as all-powerful and Creator is **not acceptable**.” ([Laudato Si'](#), 76)
