## Planting Trees in the desert of Ilo - Peru

On 04th October, celebrating the day of St Francis of Assisi, we planted finally planted 30 trees on 2 sites : at the Chapel of St Clare and at the park of the Virgin Mary nearby. It has been a long process to prepare the soil and get the right trees which will resist and grow as we are in the desert. The RNDM, associates and the faithful worked together to achieve this goal, honoring mother earth, bringing hope and joy to everyone
