### **Learning from the Life of Sr. Evelyn Green RNDM – A Life of Love for Creation and Beauty**

We are honored to reflect on the extraordinary life of Sr. Evelyn, who celebrated an incredible milestone, her 100<sup>th</sup> birthday on September 26<sup>th</sup> 2024. A woman of grace, faith and dedication, Sr. Evelyn has witnessed profound changes in the Church, society, Religious community and the world. Through it all, she remained a steadfast and loving presence in the community as well as a true lover of nature.

### **A Life Steeped in Care and Passion for Nature.**

Even at the age of 100, Sr. Evelyn’s love for nurturing life continues to shine. She lovingly cares for her indoor plants, seeing them as a reflection of the beauty and vitality that God has bestowed upon her. Every day, she tends to her plants and flowers, offering them water, a gentle touch, and kind words. Her favorites are the African violets, which she adores for their delicate and vibrant blooms.

Sr. Evelyn sees these plants not only as her companions but also as symbols of life, growth and care; values she has embraced throughout her life. Beyond her love for plants, Sr. Evelyn is a musician at heart. She has a deep passion for singing, playing the piano, and reading Spiritual texts.

### **Admiration and Inspiration**

Those who visit Sr. Evelyn are often in awe of her vibrant indoor garden where every plant has a story, and every flower blooms with purpose.

Sr. Evelyn’s 100 years have been marked by faith, love for life, and a commitment to nurturing the world around her. We are grateful for the example she sets, teaching us that no matter our age, we can always find ways to share love, offer care, and experience the beauty of life in all its forms, with nature as the central source of attraction and beauty.

Sr. Evelyn always reminds us, “Life is a gift. Every moment, every person, every experience is an opportunity to grow in love and gratitude. Thank you for being part of my journey.”
