Care for Our Common Home

RNDM News

The purpose of this newsletter is to provide news of RNDM involvement in actions and activities related to our ministry of Caring for Our Common Home.

Good news story from the Philippines

Dear Sisters,
Greetings to one and all.

As we continue to mourn for the passing of our beloved Pope Francis, we are also consoled by his legacyhis profound love, care and respect for our Mother Earth and all God's creation. "Laudato Si" encourages us to strengthen our advocacy to care for our common home. Here in the Philippines, Lantana community, we are happy to share with you some pictures of the plants growing in our small garden and we are also enjoying them in our meals. We continue to do composting, recycling, re-use and reduce. We use the compost to fertilize our garden. We thank Cocoy our coworker, and our sisters who alternately taking care of the garden.

With deep reverence, we cherish nature's harvest. Mercy, for Lantana community.
