Care for Our Common Home

RNDM News

The purpose of this newsletter is to provide news of RNDM involvement in actions and activities related to our ministry of Caring for Our Common Home.

Good news story from the Philippines

Care for the Environment—PEACE

Cotabato City, located in the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM), is a cultural and economic hub with a rich Islamic heritage. It serves as a key center for trade, and governance, with a diverse population of Muslims, Christians, and Indigenous groups. Islam is the predominant religion at present, and its practices and cultural heritage significantly influence the city's identity. The city plays a vital role in Bangsamoro Autonomous Region in Muslim Mindanao (BARMM) region development and peacebuilding efforts.

Religious of Notre Dame of the Missions (RNDM) Peacebuilding initiatives in Cotabato City have focused on ecological education fostering dialogue and collaborative actions among different ethnic and religious groups, simultaneously addressing environmental concerns that has become a key component of the missionary activity for this year. Our presence hopes to champion environmental sustainability beginning with engaging in ecological education through Laudato Si'.
