Care for Our Common Home

RNDM News

The purpose of this newsletter is to provide news of RNDM involvement in actions and activities related to our ministry of Caring for Our Common Home.

Good news story from Aotearoa New Zealand and Samoa:

From Barbara Henley RNDM, Napier

I love my garden...it provides me with new and wonderful delights. I inherited it from the caring Sisters who previously lived here and I'm doing my best to nurture it! The freesias have given me weeks of colour and fragrance, the daffodils were amazing and the roses are ready to burst into summer bloom!

Presently I'm preparing the garden bed to plant my summer favourites, capsicum, cucumber, spring onions and lettuce.

I also love creating the liturgical notice board in our church, promoting Season of Creation and Gospel messages!
