Care for Our Common Home

RNDM News

The purpose of this newsletter is to provide news of RNDM involvement in actions and activities related to our ministry of Caring for Our Common Home.

Good news story from Balay Euphrasie, Davao

This year, our Balay Euphrasie, Davao TP sisters are taking care of the vegetable garden. Maria Tran Thi Dao is the person in charge, and the other sisters help her weekly with weeding and planting seeds.

Growing food for life!

We are enjoying various leafy greens, cucumbers, long beans, and sweet pumpkins from the garden, and we look forward to harvesting more types of vegetables soon.

Keeping the cycle going...

We are grateful to one of our guest teachers who generously donated some funds to buy drums for making liquid compost from kitchen waste such as vegetable and fruit peels.
